**Rules: All rules are designed to protect the health and safety of the swimmers! Please be conscientious of your child's swimming abilities and his/her guests. Lifeguards perform more water rescues during pool parties than any other time, as often young children try to "keep up with their friends" putting themselves in danger.**

- ✓ **All aquatic center rules apply during private pool parties** including but not limited too:
- ✓ Slide: One person, regardless of age, may go down the slide at a time. No "trains" and no multiple participants at one time; except: *At their own risk, a parent or guardian may go down the slide with one child.* Feet first entry, no headfirst and no diving into the slide.
- ✓ Due to abuse, liability issues and excessive damage, kick boards; lifejackets; pull buoys; fins etc. are prohibited during pool parties, just as they are during open swim sessions. They are for the exclusive use of swim lesson programs, water aerobics, lap swimmers and swim team. *You are welcome to bring your own toys and floatation devices.*
- ✓ Children six and under must be accompanied by a parent or guardian in the big pool.
- ✓ Deep end swim tests will be required when lifeguards have doubts over one's swimming abilities.
- ✓ Alcoholic beverages are prohibited at the aquatics center. Violation of this policy will result in the immediate end to the party.
- ✓ Renters are responsible for their guest and their behavior. Violation of aquatic center rules may result in the removal of the violator.

**Please circle the appropriate rental:**
